November 2016

Greetings from Life Choices and Real Options Clinic.

As we come to the end of 2016 we want to say "Thank You" for your continued support to our Ministry!

We thank the Lord for every woman who came through our doors and allowed us to serve them.

Here are some of the comments we received on their exit evaluation forms in regards to their experience at our clinic:

"I would send anyone here– no matter their socio-economic status Or pregnancy decision"

"Everyone was so wonderful, my experience went very well"

"Comfortable and informative"

Our goal is to always provide exceptional care to each women who comes to our Clinic.

In 2015 the Lord blessed this Ministry financially with $209,000.00 ! The most this Ministry has received since it began. However, in 2016 our operating expenses have increased do to our move and at this time our reserves are almost depleted.

To end the year successfully and meet our 2016 budget we are seeking $50,000.00.

Will you help us meet our goal?

I believe the Lord will speak to the hearts of our community and bring the remaining amount we need . I have enclosed an envelope, donate as the Lord leads you.

Remember that Real Options Clinic exist because of "your " donations. YOU make this clinic be available to the women of our community!
