

## Reflections from the Director

*"The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly."*

-John 10:10

With every day that passes, the Father continues to reveal to me the truth in this passage. We live in a time where people sometimes minimize the act of abortion, the murder of our most precious and smallest beings. My heart cries out for the lives that have been lost at the hands of the enemy and I continue to pray that one day abortion will come to an end. For now, I will continue to press into my call and walk boldly before the throne as an intercessor for the voiceless.

In 2018, Life Choices of Wenatchee Valley received the majority of our donation funding through Warriors for Life and through the Baby Bottle Campaign. The Baby Bottle Campaign raised over \$32,000, \$10,000 more than in past years. Warriors for Life, our faithful donors who make a monthly donation of \$30 or more brought in over \$54,000. This is amazing! It is our hope that in 2019, Warriors for Life and the Baby Bottle Campaign will continue to increase. Church family, we need your help to do this. We need you to stand with us for the women and the unborn in this valley. Together we can help provide accurate information to educate women in knowing that abortion is not the only option. If you would like more information on how to become a Warrior for Life or how your church congregation can participate in the Baby Bottle Campaign, please call: 509-664-5298

## Prayer and Help Needed

In 2016 we moved into our new location at 504 Orondo Ave. The space and the building layout is wonderful, with good visibility in the community. In the spring of 2019, our lease was due to end, but we were able to negotiate a new lease with Columbia Valley Community Health (CVCH) that would have allowed us to remain in our current location for another two years, possibly longer.

Unfortunately CVCH has had a change of plans and on February 1 we were told that we would have to move out of the building by the end of June. Of course, this came as a shock to us, but we are now actively seeking a new location where we can re-establish the Real Options clinic.

The Board is confident that our good God has something that will be better than we currently have. We ask that you pray for the future location for the Real Options clinic. We know that a move will mean costs to move to a new location, and very likely if we will have to lease it will cost more than we have had to pay at our currently location. So, along with prayer please consider how you could help us with a move to a new location. In addition, if you can we would ask you to consider increasing your monthly giving or join into a monthly giving program by becoming a

### Thank you for helping us to serve clients in need

In 2018 there were a total of **983** client visits to the Real Options Clinic

**756** visits were for parenting classes with 34 graduates completing 12 lessons

**227** were for medical visits, which included:

**128** Pregnancy Tests

**76** Ultrasounds, and

**42** STI tests with follow-up and treatment

**88%** of our clients were abortion-minded or abortion-vulnerable

While our total client visits were the same as last year our medical visits declined slightly. Please pray that we will reach more clients facing a crisis pregnancy in 2019.

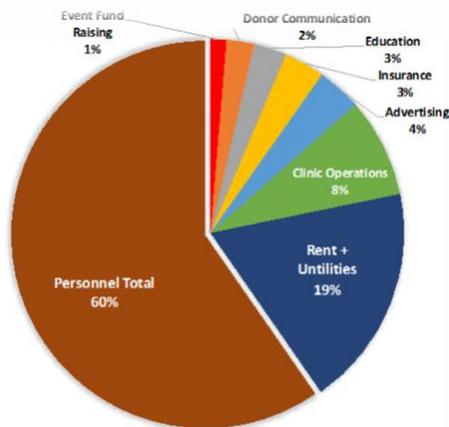

## How your donations were used in 2018

2018 expenses were \$175,232. The main expense categories included:

- \* Personnel - \$103,250
- \* Rent + Utilities - \$32,106
- \* Fundraising events - \$2,302
- \* Advertising - \$6,416
- \* Clinic operations - \$14,343
- \* Education - \$4,764

Your generous and faithful support makes it possible to keep the Real Options Clinic doors open.
